About us

Express Clean Consultancy under AAU Corporation is a renowned company that has been operating in the laundry industry with SEC registration number [CS2020000997](#). We take pride in being an authorized dealer of LG Electronics, which is a globally recognized brand known for its high-quality and reliable laundry machines. The company also has a strategic partnership with Alfamart Minimart in terms of growth and expansion.

As a company, we prioritize excellence and customer satisfaction. To ensure the highest level of service, we have employed 67 LG certified technicians who are well-versed in LG machines and their maintenance. These technicians undergo rigorous training programs conducted by LG Electronics to stay updated with the latest advancements in laundry technology.

With a dedicated workforce of 300 employees, we are able to maintain a strong presence in the industry and meet the evolving demands of our clients. Our team comprises individuals who are passionate about delivering excellent customer service and ensuring customer satisfaction at all times.

In addition to our dedicated team of technicians, Express Clean Consultancy owns and operates 56 branches of laundry shops across the country. These branches showcase the LG Titan Cmax, LG Giant Cmax, LG Parts and other related Laundry Equipments. We strive to provide our customers with a seamless laundry experience, whether they choose to visit our branches or engage us for their laundry machine needs.

Starting a laundry business can be an overwhelming task, but it doesn't have to be. With Express Clean Laundry Consultancy, you can gain the knowledge, resources, and support necessary to turn your entrepreneurial dreams into a profitable reality. Our team is committed to your success and will be by your side throughout your journey.
